Machines adapted to accept new coins

CANNOCK Chase Council has spent £13,000 replacing 20 car park ticket machines across the district – so they can accept new 5p and 10p coins.

All council-run car parks have been modified to allow the coins – which are heavier than the old-style ones and made of steel – to be used. Although still in working order, the old machines were becoming obsolete with working-order spare parts only available for a limited number of years.

The new machines can be modified if the Royal Mint introduces any future changes.

Supplier

Tony McGovern, Cannock Chase Council's corporate director, said it would be unacceptable to have machines that didn't accept the new coins, which were introduced in January.

"The change to coinage by the Royal Mint meant we had to look at replacing our 20 ticket machines," he said. "The new machines have been refurbished by the supplier to keep costs down, with the funds to purchase them coming from existing budgets."

"Because of their more advanced technology, they will be much more reliable for users of our car parks."

Honouring youngsters

UNsung heroes from Cannock Chase can pick up an award for their inspirational efforts.

A trophy and a £50 cheque is up for grabs in the Cannock Chase Council Youth Endeavour award.

The award recognises those aged 11-to-18 who have made a positive contribution to their community, school or particular group.

Awards to honour top Chase businesses

THE quality and success of businesses across the Chase is being recognised with an inaugural awards ceremony.

Local entrepreneur Steve Mallows, who runs thebestofcannock and MP for Cannock Chase Aidan Burley have organised the Cannock Chase Business Awards, which have been formally launched this week.

The awards are open to businesses of all types and sizes from across the Cannock Chase region.

The public is encouraged to nominate businesses for any of the 11 awards by logging onto www.cannockchasebusinessawards.co.uk and complete a short online form. Businesses can enter themselves

through submission of an online application where they will have the opportunity to detail their company's achievements and successes.

Entry into the awards is £60 and includes two tickets to the presentation event on July 6 at Bar Sport's Premier Suite in High Green, compered by Central Newscaster Llewella Bailey.

Website

Applications can be submitted via the website from today (Thursday) until 1pm on June 14.

A panel comprising respected community members will decide the winners, whose prize will include a

branded bottle of Champagne and a framed certificate.

Categories include: Most Innovative Business; Promising New Business; Long-established Local Business; People Development award and a Putting Cannock Chase on the Map award. There will also be a 'Notable Charity Award'.

Conservative MP Mr Burley said: "The Cannock Chase Business Awards will highlight the unsung businesses in Cannock Chase which are the life blood of our economy."

For more information and for a full list of the awards, visit www.cannockchasebusinessawards.co.uk or call Steve Mallows on 01543579426.

Deadline on bids for arts windfall

TIME is running out for youngsters dreaming of stardom to sign up for a potential windfall towards a career in the performing arts.

The deadline for applications for Follow that Dream – a competition for 10 finalists to take part in a gala performance at the Prince of Wales Centre in Cannock – is on Saturday (April 21).

One lucky winner will scoop £1,000 towards a performing arts scholarship and Bryan Till, who has set up the venture with musical director Andy Reiss, urged people to sign up.

Venture

As reported in *The Chronicle* last week, initial take-up for the project has been poor despite schools showing interest, but Bryan said: "We dearly want this venture to be a success."

Bryan runs the Melanie Till Memorial Fund, set up to remember the life of her teacher daughter who died in a car accident in 2008.

In 2010 the charity organised A Schools' Celebration in Song, where children performed alongside BBC Last Choir Standing finalists Dreemz.

Auction of musical lots

A RANGE of musical instruments are going under the hammer in Penkridge.

The auction is at Cattlestones Auction Room, from 1pm next Monday (April 23).

Lots include guitars, drums, amplifiers, sound desks, keyboards and microphones with viewing from 1-4pm on Sunday and on sale day from 10am.

Auctioneer Dave Eglington said: "This is a real treasure trove for music fans."

RAIL PLAN DOUBT AFTER CASH SNUB

by Lisa O'Brien

THE long-awaited electrification of the rail line between Walsall, Cannock and Rugeley is at risk after the West Midlands region was snubbed in a £10 billion plan of national projects.

Cannock Chase Council leader George Adamson described the decision as 'disastrous' and warned the electrification project was now in jeopardy.

His opposite number on Walsall Council branded the decision "disappointing".

The scheme is one of a handful affected by the government's decision to spend more than 40 per cent of the money in London and the south east.

This means just £57 million – or 0.6 per cent – goes to the West Midlands.

Improved

Councillor Mike Bird, Walsall Council leader, said: "It's always disappointing when we can't see any advancement in what we believe to be a futuristic approach to transport."

"The funding always tends to be down in the south but I don't know the usage of the Cannock to Walsall line."

The scheme, which would see an improved faster service with better trains to be offered in South Staffordshire, is currently on a waiting list for funding.

A sum of around £34.9m is needed to increase the speeds of trains on the line from 45mph to 75mph and provide for electrification.

But it was one of the regional projects ignored in favour of increasing capacity between Leamington Spa and Coventry and making more space on the line through Water Orton, east of Birmingham.

Councillor Adamson said: "This is disastrous for our region."

"To give so much money to the south and leave out the region with the second biggest population in the UK, and a highly industrial area at that, leaves me gob-smacked."

"The electrification of the Rugeley line had been depending on that – I cannot see how we can go ahead without it."

The council's backing of the controversial high-speed HS2 rail link was conditional on an upgrade of the Chase line to bring potential economic benefits to the district with reduced journey times and an improved frequency of four trains per hour.

Other schemes snubbed were the re-opening of the Walsall-Stourbridge freight line and plans to increase trains' speeds between Wolverhampton and Shrewsbury.

MP in support of Labour candidates

LABOUR MP David Miliband paid a visit to Cannock ahead of the forthcoming local elections. The former foreign secretary, brother of Party leader Ed, manned a market stall while supporting the campaign of the Labour council candidates who are standing on Thursday, May 6. Mandy Forrester (left) and Wendy Smith

Ladies on Olympic track

TWO HEDNESFORD ladies were among the first to cross the finish line at London's Olympic Stadium when it was opened for the very first time.

Running pals Mandy Forrester and Wendy Smith took part in a five-mile run around the Olympic Park, taking in such future landmarks as the newly-built Velodrome and Aquatics Centre, before making history by crossing the line where Usain Bolt and co will compete this summer.

Around 5,000 people of all ages and abilities, chosen at random from 43,000 entrants, completed the run, including Her Royal Highness Princess

Beatrice and several Olympic athletes. The event, organised by the National Lottery, was the first public access to the stadium.

Wendy said: "We still can't believe we were both lucky enough to gain a place. It's something we will remember forever."

Mandy and Wendy's next running challenge will be the Great North Run in September when they will be raising money for the Rainbow Trust Children's Charity.

Fundraising runners face a marathon task

Andrew Marlowe with sponsors Shohidul Islam (left), and Ruhel Ahmed from the Spice Bazaar

THE MONTHS of training and fundraising have nearly finished and the big day is just hours away for three of our region's intrepid London Marathon runners.

Former professional footballer Andrew Marlowe will be hoping to earn his spurs when he tackles the 26.2 mile race, which takes place on Sunday (April 22).

The 38-year-old, from Heath Hayes, was on the books of Tottenham Hotspur as a youngster, training alongside the likes of Paul Gascoigne, Gary Lineker and Teddy Sheringham, before injuries put paid to his burgeoning career.

But, through playing for non-league sides, he has kept his fitness up and Andy, now a PE teacher at The Jane Lane School in Bentley, Walsall, is confident of a decent time.

He said: "Well my mind says three and a half hours but my body says just complete it. "I'll get round hook or by crook. I've run the

marathon twice before and this year I'm fundraising for a great cause - The Variety Club - which cares for sick, disabled and disadvantaged children."

Cannock restaurant The Spice Bazaar is sponsoring Andy, who has raised £1,700 so far, to the tune of £200 which he labelled a "fantastic gesture".

Fellow marathon runner Richard Guest, of Great Wyrley, took up running when his wife Wendy lost her battle with breast cancer two years ago.

Trademark

Then aged 58, Richard embarked on his first marathon, in Brighton, and the London Marathon will be his fifth in two years.

He sports a trademark pink Mohican during races to help raise awareness of his charity, Breakthrough Breast Cancer.

"Thank you to all the people of Cheslyn Hay, Great Wyrley and surrounding districts for your fantastic support," said Richard, who has raised

Marathon runner Richard Guest, of Great Wyrley

Trudie McGuinness, aged 35, who is running the London Marathon for NSPCC and Childline

more than £500 from his latest fundraising challenge. "I give when I can and there are lots like me, but when running I think of my dream and that one day women will no longer have to live with the fear of dying of breast cancer."

Trudie McGuinness, of Penkridge is happy to put herself through the pain barrier for NSPCC's Childline service.

The 35-year-old, a director of learning experience at a further education college, is running the London Marathon for the first time and has raised £900 for the charity so far.

"After running the Great North Run in 2008 I set myself the challenge of running the London Marathon to raise money for a charity I am passionate about," she said. "Money donated to the NSPCC can really help to achieve this."

Trainees sought to take keep fit classes

VOLUNTEERS are needed to help take keep fit classes for the elderly. Thanks to a grant from the Coalfields Regeneration Trust, Age UK South Staffordshire is working on a Live Life, Live Younger programme to get the elderly involved in a series of gentle seated exercises.

But it needs people to carry out the sessions and is running a course to get the volunteers trained up. Training will be held one day a week for four weeks.

Unemployed

The cost is covered by the Coalfields Regeneration Trust and can lead to an Open College Network (OCN) Level 2 Active in Age qualification, enabling the trainee to carry out classes.

Age UK South Staffordshire is particularly interested in working with the unemployed, although the training is open to anyone in the Cannock, Rugeley and Chasetown areas.

Places on the training course are limited, call the community engagement team on 01543 674479 if interested or visit www.ageuk.org.uk/south-staffs

Pupils learn all about the great outdoors

Pupils with Rebecca Banks, Emma Beaman-Green, from the AONB and Chris Walsh from the countryside team

CHILDREN can learn all about the great outdoors in an open-air classroom at Gentleshaw Common.

The classroom has been created to enable nature-lovers to learn more about the Area of Outstanding Natural Beauty.

Funded by the Cannock Chase AONB, the classroom features a circle of log benches, a teacher's chair, and a carved sign.

The project also included a series of environment education events, led by the Forest of Mercia Group. In all, more than 60 pupils from

Gentleshaw Primary and Boney Hay Primary School attended sessions in the outdoor classroom to find out more about the conservation work taking place at the common, as well as why the plants, animal and habitats of Gentleshaw Common are so rare and endangered.

The outdoor classroom is now available to be used by local schools and groups for free, so they can hold their own sessions in the great outdoors.

Lichfield District Council's countryside team will also be using the facility to hold more environment education events, both with the public and other school groups.

Councillor Alan White, cabinet member for development services, said: "Being able to learn while outside surrounded by nature is a good way to get people interested in conservation work and wildlife."

For more information about the outdoor classroom, please contact Chris Walsh, Lichfield District Council's biodiversity officer, on 01543 308164.

No fee plan for servicemen at district's leisure centres

THE armed forces could be granted free use of leisure centres in Cannock Chase after a panel of councillors ruled slashing fees did not go far enough.

A Cannock Chase Council committee had been asked to support plans to introduce a 50 per cent discount for servicemen and women, bringing their rates in line with the £15 monthly charge paid by benefit claimants.

But members unanimously backed an amendment suggesting all armed forces personnel with homes in the district should no longer have to pay a penny.

They had wanted to extend the concession to war veterans who had suffered debilitating injuries in battle, but decided the move would over-complicate their proposal.

Officers will now calculate the cost of implementing the policy and prepare a report to be considered by the authority's cabinet in June.

Suspended

Currently army, navy and air force personnel are charged £25 a month, £5 cheaper than full price. Payments can be suspended for tours of duty.

Councillor Paul Snape told a meeting of the culture and sport policy development committee: "I'd like to see free membership for the armed forces when they are on home leave – just for service personnel though, not their families."

His view was echoed by

by Mark Mudie

Councillor Mick Grocott, who added: "Any member of the armed forces who lives in Cannock Chase when they are not at barracks or abroad should have use of our leisure centres free."

But Councillor Clive Morgan said: "What about those poor chaps who have lost their limbs – surely we should be looking at helping them as well?"

Despite broad agreement, members eventually ruled against extending their proposed concessionary scheme for now.

Plans to bring in a 50 per cent discount for armed services personnel had been drawn up by leisure boss, district councillor Christine Mitchell. She was not at this week's meeting.

Council leader George Adamson had indicated he would support Councillor Mitchell's proposals.

Papers will not be ready in time for this month's cabinet meeting and the executive is not due to meet again until June.

Hayley Smith, aged 20, who has just opened a new beauty salon in Rugeley

Beauty's salon is open for business

A FORMER Miss England semi-finalist is passing on her beauty tips to Rugeley residents after opening up her very own salon.

Hayley Smith, aged 20, officially unveiled Hayley-May Hair and Beauty on Saturday in Brewery Street and said the initial response had been 'brilliant'.

The former Fair Oak pupil took an NVQ level 3 in business at Stafford College, helping her realise her dream of becoming a beauty therapist. That came to fruition when she launched a mobile business in and around Rugeley.

Having now moved into her own building – a former hairdressing salon which she discovered by chance – Hayley is looking to expanding her customer base.

"Before, people were having to book appointments with me – now they can just pop in," Hayley, who competed in Miss England in 2009, said.

Treatments offered include waxing, massages, nails, facials, piercing, tanning and hairdressing.

Positions are still available for two hairdressers. Visit www.hayley-may.co.uk or call Hayley on 07738 162169 for details.

The rest of the committee is: Chairman Mark Walker; deputy Paul Keen; secretary Sue Archer; treasurer Eddie Malpass; equipment officer Bob McBey; training officer Joss Presland and membership officer Richard Archer.

THERE was never a corgi in hell's chance of Camilla being called anything other than Queen Camilla when Charles becomes King. All that Palace nonsense about Camilla being styled as consort to the next king was merely a sop to the grieving millions who thought making Camilla a queen would be an insult to Diana.

Now the Queen has appointed Camilla a Dame Grand Cross of the Royal Victorian Order. Royal watchers are feverishly informing us that this paves the way for Camilla one day to be known as Queen. This was the plan all along. How could it be otherwise? The wife of a king is always a queen. How stupid do they think we are?

I HAVE focused recently on the pitiful thickness of the average criminal. However, there are some blockheads allegedly working for the forces of law and order. Three weeks into a robbery trial, a juror got a sick note from her GP, went on holiday and phoned the court to say she was off ill. Court staff in Preston became suspicious because the call came from Malta. The juror has now been jailed for contempt and her family seem hugely surprised. It's a sharp, simple message from the legal system. As the Law Society Gazette headline on the case says: "Hell hath no fury like a courtroom scorned."

A fool and his money are soon parted, and consumer watchdogs should leave him to it.

WHO says 100 per cent insulation is a good idea? If you ever step inside a super-insulated house, you will be struck by how deathly silent it is and how there is no movement in the air. The stink from Friday's cod and chips is still with you on Monday.

It is no coincidence that the spread of double glazing and loft insulation has coincided with the rise in sales of air fresheners pumping scented chemicals into the foggy, fetid atmosphere of unnaturally warm rooms to make them smell of pine forests. Believe it or not, some of us actually prefer proper homes with proper draughts. And I bet we are the healthier ones.

Hi-vis donation for blood bike service

A CHASEWATER firm has come to the aid of a life-saving service. A & J Designs, which embroiders workwear from a unit at the beauty spot's Innovation Centre, has supplied high-visibility jackets to a charity that delivers urgent medical supplies.

Midland Free Wheelers saves the NHS tens of thousands of pounds with its free motorbike courier service. Around 25 volun-

teers give up their spare time overnight and at weekends to deliver urgent blood and medical equipment to and from New Cross Hospital in Wolverhampton. The charity relies solely on donations and sponsorship to keep it running and A & J Designs agreed to provide the vital equipment to keep the riders safe when out on the road.

Former BBC Midlands Today

presenter and motorcycle enthusiast Ashley Blake is the Blood Bike charity's latest recruit. He said: "The only way the charity can survive is by the generous donations of people like A & J Designs.

Safety first at schools as speed signs erected

TWO Cannock schools are to improve road safety by installing flashing 20mph signs outside. Sixteen locations across the county will have the speed indication device.

They will be put in place in Pye Green Road, off Moorland Road, on the approach to Moorhill Community Primary and in New Penkridge Road outside St Luke's Primary School. They will flash when motorists exceed 20mph.

The aim of the initiative is to encourage drivers to reduce their speed to 20mph when driving near the schools.

County Council cabinet member for culture, communities and customers Councillor Pat Corfield, said: "The '20 is Plenty' scheme puts the safety of children first."

He added: "It reflects residents' priorities. They have told us that road safety is of paramount importance and we have listened."

"Since we launched the scheme in 2010, we have seen a dramatic change in drivers' behaviour near to schools and that trend is continuing."

The '20 is Plenty' signs will operate during school run times.

Innovative
Council bosses claim Staffordshire is already among the best counties in the UK for child road safety. Councillor Corfield added: "It's a position achieved through innovative road safety action, including the Walking Bus and Safer Routes to School programmes and a host of education and training projects."

All the schools that piloted the part-time permanent 20mph zones, as well as those that will launch the second phase, are on A and B roads.

Friends in invitation to young

A COMMUNITY group is to ensure the views of young people are taken on board.

The Friends of Hednesford Park is to change its constitution and invite a young person onto its management committee.

The group is holding a special meeting tomorrow (Friday) at the ex-service-men's club in Anglesey Street.

Anyone with an interest in the promotion and regeneration of the park is welcome at the meeting, which starts at 7pm. It will also include details of the group's forthcoming events to promote the park including the Hednesford's Got Talent to mark the Queen's Jubilee and It's a Knockout in honour of the Olympics.

Chairman Lynn Evans said: "We thrive at involving all members of the community and feel that everyone has the opportunity to have their say about changes to the park including young people."

Artistic talents go on display

A GROUP of Rugeley care home residents are showcasing their artistic talents.

Around 30 people at Horse Fair Care Home have been working on their artworks for some months and the standard was so good that recreation and leisure organiser Jane Lane decided to showcase their talents at Rugeley Library, in Anson Street.

Handmade greetings cards made by residents are on sale and all of the money raised will be donated to the Staffordshire Multi-

ple Sclerosis Society. Jane said: "Our recreation and leisure programme is a very important part of life at Horse Fair. We believe that keeping residents mentally active enhances physical and mental wellbeing."

"Residents chose Decoupage as their task for the art club which meets weekly."

Decoupage is the art of decorating an object or creating a picture by layering paper cut-outs.

Students carry out training scenario

STUDENTS at South Staffordshire College have undertaken major incident training as part of an assessment course.

Public services students at the Cannock campus teamed up with Cannock Chase Council bosses to take part in a role-play.

It saw 45 students play members of the public in scenarios which saw them evacuated from their homes to a rest centre at the council because of a major fire and toxic smoke.

Council staff had to deal with problems like dietary requirements, medication needs, pet care and looking after displaced people with no accommodation.

Melanie Henry, higher education and public services Level 3 co-ordinator, said: "By taking part in events like this, it allows our learners to get a realistic view of what role the services play and strengthens links between the college and the local authorities."

Will Carter, aged 18, from Cannock, a Level 3 extended diploma in public services student, said: "The exercise helped me to gain more insight into my assignment and the role we could have in the emergency services."

Homes still get no post

TWENTY-EIGHT homes on a Penkridge estate are still without post following a dispute over the poor state of the pavements.

Deliveries to the Grange estate were suspended after a postman tripped on an uneven footpath and suffered a serious injury.

Mail has since been delivered to Wolverhampton Road and Lime Walk, while Penkridge Post Office has agreed to be the alternative address for the affected homes, in Elm Walk and Grange Road, until further notice.

Royal Mail said it would review the situation when improvements were made.

Band in appeal

"Bring it in and let everyone sample it, then let our panel of judges decide who makes the best chilli in Cannock," he said.

The bike, imported from the USA, is one of only three or four in the UK. Call Staffordshire Police on 101, quoting incident number 507 of 11 April.

Firm helps
to maintain
cycle routes

A HEAVYWEIGHT donation from a quarry company will help to keep popular mountain bike trails on Cannock Chase in top shape.

CEMEX has agreed to donate 500 tonnes of sand and gravel every year to help maintain two of the UK's most well used trails.

The Monkey Trail has been a big hit with bikers since it opened in 2010 and was ridden 100,000 times in its first year alone. It was also voted the nation's top trail by readers of Mountain Bike Rider magazine. Together with the Follow The Dog route - the West Midlands first cross country trail - it covers a total of 22km from Birches Valley Visitor Centre.

Andy Coggins, Forestry Commission Recreation manager at Cannock Chase, said: "Because the trails have provided such a hit we need to patch up badly worn areas."

The donation was the idea of rider Stuart Wood who works for CEMEX. He said: "It should be just the answer to keep the routes in good condition."

Trailbuilding days are held every Sunday, meeting at Swinnerton Cycles at 9.45am. Tools are provided, but sturdy footwear and suitable outdoor clothing are recommended.

Talk with MP
over autism

AN autistic Rugeley boy met education minister Sarah Teather to discuss how school can be improved for pupils with the condition.

Ben Kenyon, aged 15, met the MP at Porticulis House, in Westminster. He said: "I think the meeting really helped. I told the minister that all teachers should have autism awareness training." The MP said: "Meeting with Ben and the other young campaigners gave me a fascinating insight into how small changes in the classroom can mean big changes in the learning and development of children with autism."

Exercise class

A NEW weekly exercise class starts in Great Wyrley today (Thursday). The hour-long class kicks off at 1pm, at the Senior Citizens Club on Broadmeadow Lane and costs £2. Council bosses say they are ideal for older people who want to do light exercise, meet new people and get in shape in time for the summer.

College campus £6m new look is revealed

Now - the Cannock campus, at The Green

THESE pictures show how the Cannock campus of South Staffordshire College will look if £6m plans are approved by council chiefs.

The refurbishment will cost the college around £4m. The Government's Skills Funding Agency would provide a £2m grant.

Work to redevelop the building is due to get under way in the summer and should be completed by September 2013.

A new glass-roofed atrium forms part of the plans for the Cannock campus, located at The Green in the heart of the

town centre. The major work will also include the removal of the main internal staircase and a lighter frontage and roof, with new glass panels added to the building.

In the paperwork sent to the planning department at Cannock Chase Council, the architects say the plan is to brighten up the college. College bosses also want to tighten up security.

If the proposals are approved, there will be three new staircases with a 2,314ft overall increase in the building's size. There are no plans to increase student numbers.

Artist's impression of how the frontage will look

Plan seeks to build 4,500
properties across district

THOUSANDS of homes could be built over the next 16 years in Cannock Chase. Council leader George Adamson said he hoped the district would not bear the full brunt.

The plans could see 4,500-plus homes built across Cannock, Hednesford and Heath Hayes as well as on Pye Green Road and throughout Rugeley.

Grant will
go towards
an outdoor
adventure

AN OUTDOOR adventure event for people with disabilities will be held in Cannock Chase.

The Fieldfare Trust charity is organising the event and its coffers have been boosted by a £2,000 allocation from The Co-operative Group's Community Fund.

Joe Penfold, from the Fieldfare Trust, said: "We are thrilled with this generous grant from The Co-operative. We will use the funding to host a national outdoor adventure event to raise awareness of our cause and to help people with disabilities to enjoy the great outdoors."

Lisa McIndoe, of the Co-operative Group, said: "There is around £94,000 available in this region, each year, from the Community Fund, and we welcome applications from local groups and projects for £100 to £2,000."

A date for the event will be set later.

Community Fund applications are available at www.co-operative.coop/communityfund or by phoning 0844 262 4001.

Councillor Adamson said discussions were taking place with neighbouring Lichfield over whether any homes could be accommodated there.

He said: "We are in discussions with neighbouring councils, Lichfield, Tamworth and North Warwickshire. We want to see if Lichfield District Council would be prepared to take some of homes, we are required to build."

Councillor Adamson added: "The Government are saying we have to build homes over the next 15 years. We are not intending to build on greenfield sites."

Pressure

Hednesford North Conservative Councillor Graham Burnett said the developments would put pressure on Cannock Chase.

The local plan includes 2,400 homes in Cannock, Hednesford and Heath Hayes - including 750 homes west of Pye Green Road and 330 houses at Pye Green Valley.

The blueprint also involves at least 900 new homes in Rugeley and Brereton, 200 homes in Norton Canes and 700 more to the south of Norton Canes.

Councillor Burnett said: "In Cannock, Hednesford and Heath Hayes, housing provision is set at least at 2,400 homes and crucially 750 homes as an urban extension on a site west of Pye Green Road. All of this is putting additional pressure on Cannock Chase."

Visitors flocked to the Chasewater Transport Show last weekend where hundreds of old vehicles went on show

Thousands turn up
at transport show

MORE than 10,000 people flocked to a major transport show at Chasewater Country park, almost doubling previous attendances.

The annual Chasewater Transport Show has fast become a popular event on the regional calendar, annually attracting more than 6,000 visitors.

Now in only its fourth year, this year's event has smashed previous visitor records.

Organisers had laid on a programme of entertainment in addition to around 500 classic, vintage and modern vehicles. Trophies were presented in nine classes with Best In Show going to a Ford Capri.

Brilliant

Entertainment included Punch & Judy shows, simulator rides, a fun fair, craft and trade stalls and a live music stage.

The event, held on Sunday (April 15) at Chasewater Country Park, is thought to have raised around £1,000 for the Help for Heroes charity.

Organiser Helen Borton said: "We can't believe the number of people who came along and the positive comments we got. The weather was brilliant and the whole event was a fantastic success."

thechronicle Agency is at the helm as pub seeks a new licensee

AN historic Cannock pub that became famous for its recession-busting £1 meals is seeking a new licensee. The Four Crosses, on the A5 at Hatherton, dates back 400 years.

It hit the headlines back in 2008 when it introduced a cut price menu with meals at just £1. Meals even went as cheap as 50p for a period.

The pub is now on the lookout for a new licensee. It is currently being run by an agency, IMS (UK) Ltd while bosses at Marston's seek a new incumbent.

Former landlord Tony Rabbits, who introduced the cut-price menu, stepped down at the start of March after 10 years at the helm. He ran the business with wife Kay and their grown-up son and daughter.

Trade

Earlier this year he said business was good over the weekends but that he struggled to attract enough trade throughout the week.

The pub is a Grade II-listed building and has an open plan lounge, snug and bar.

Marston's spokesman Liz

by Richard Woodall

Slee said: "The Four Crosses is a 16th century coaching inn which offers an incredible opportunity to the right operator."

"We are looking for an entrepreneur who can help us put this lovely old pub back onto the map serving good old-fashioned pub grub and great cask ales."

The pub's former £1 menu was introduced more than three years ago to save the business.

In 2009 nearly 900 people took advantage of a special £2 Christmas meal offer at the pub.

The pub remains a popular haunt for mediums and psychics who hold regular ghost-hunts.

Digging for answers

Gardening fans and committee members of Cannock Wood and Gentleshaw village hall

VILLAGE garden enthusiasts are looking forward to hearing their queries answered on Radio 4's Gardeners' Question Time. Cannock Wood & Gentleshaw Gardening Club hosted the show at the village hall on Buds Road.

Chaired by Eric Robson, writer and broadcaster Anne Swithinbank, radio personality Matthew Biggs, and the rally driver Matthew Wilson were all on the panel.

Questions were put forward by 50 people with 12 of them answered. The show will be broadcast tomorrow (Friday) at 3pm and again on Sunday (April 22) at 2pm.

French firm takes power

THE owners of Rugeley power station have agreed to a £6.8bn takeover by GDF Suez. The French utility company already owned 30 per cent of International Power and increased its previous bid to 418p per share.

Rugeley Power Station opened in 1963 and employs around 200 people. It powers around 500,000 homes across the Midlands.

Ceremony on Chase will remember Anzac troops

Land Rover on warpath

Rick Purchase from Monster Tuning Limited, Telford, and custom painter Mark Quinn of Stafford Panel Craft

A PENKBRIDGE firm has been given the painstaking task of applying warpaint to a 4x4 ahead of a treacherous challenge to reach Europe's northernmost point.

The Land Rover is being prepared to take part in the Arctic Heroes Challenge next March.

It was given its marble effect by staff at Stafford Panel Craft in a six-week project.

The adapted vehicle will be driven

across the Arctic Circle in Norway in freezing conditions, with temperatures falling to -20C (-4F).

The car's final destination is Nordkapp, which is only separated from the Polar Ice Cap in the Arctic Ocean by the Svalbard Islands.

Mark Quinn, from Stafford Panel Craft, was commissioned to carry out the paint job by Rick Purchase. All proceeds from the challenge will go to Help For Heroes.

THE annual Anzac Day ceremony will be held this year on April 29 at the British Military Cemetery on Cannock Chase.

The memorial service is principally in remembrance of First World War Gallipoli landing in 1915 by Australian and New Zealand soldiers but is also a tribute to the Anzac - Australian and New Zealand Army Corps - troops who served in other areas in the 1914-1918 war.

It will also honour the thousands of soldiers who fought during the Second World War in North Africa, Burma and the Pacific.

The ceremony takes place at the Commonwealth War Cemetery where 73 New Zealanders and 24 Australians are buried.

Members of the Royal British Legion, cadets and ex-servicemen's association standards will parade at 10.30am.

The ceremony on Cannock Chase, will include a minute's silence at 11am and is the largest outside of Australia and New Zealand. The turnout will include official representatives from Australia and New Zealand.

During the First World War, a large military camp at Cannock Chase became the base for the New Zealand Rifle Brigade. A cross will be placed on the grave of Freda, the dog mascot of the 5th (Reserve) Battalion of the 3rd New Zealand Rifle Brigade.

The service will conclude with a wreath-laying ceremony together with the sounding of the Last Post and Reveille.

Olympians based at club

CANNOCK will host the Pakistan hockey team during this summer's Olympic tournament. The 107-year-old club, at Hatherton, was chosen for its training facilities, being one of only three in the country to have two water-based pitches, the type that will be used in the Games. In 2009 the club staged three England/Pakistan Tests.

Will police target all lewd acts on Chase?

SO our local police team is telling us they are going to patrol the Chase in areas frequented by "doggers" or those that watch others involved in this behaviour.

I have no problem with this, action but I would like to know if they will be targeting all groups of people who engage in sex acts on the Chase. Will they patrol areas that people frequent to seek same sex contact?

Some years ago, on a car park on the Chase, I was told by a representative of a same sex group that I had no right to be there. I was summoned to the Inspector's office, told I had been complained about and that I should leave the group alone.

Given that engaging in any kind of sexual activity in public will cause offence to most people can we be assured that anyone engaging in this type of behaviour will be targeted?

ROB WOODWARD
Hednesford

Significant difference in hard times

AT the time of the Budget, when millions are spent across the country, the focus is rarely on what the Chancellor is doing for you and I.

Recently it was announced that Stafford County Council was one of many Conservative-run authorities across the country that had taken up the Government's council tax freeze.

Under Labour, council tax in Cannock Chase was set to rise by at

least 2.5 per cent and the pattern set to continue spiralling upwards, putting a strain on hard-working families.

Thanks to Conservatives in Government this trend has stopped. Extra funding to help local authorities freeze council tax has been provided for the second year and local Conservatives in Cannock Chase have demanded this be taken and saving money for our hard-working families and pensioners.

I am especially pleased that our Labour run Council at Cannock has decided to take up this freeze, especially given that their leader Ed Miliband has dismissed this saving for residents across Cannock Chase.

When times are hard this extra money will make a significant difference.

GRAHAM BURNETT
Councillor, Hednesford North

Out-of-touch and run by millionaires

IN RECENT weeks, David Cameron's Government has been exposed as out-of-touch – pursuing reckless and badly-thought through policies.

Firstly, the Budget rapidly unravelled with the 'pasty tax' and a raid on pensioners with the granny tax. Then came disarray as their attempts to pick a fight over petrol led to panic at the pumps and now families are having to deal with a tax credits bombshell from Cameron and George Osborne, just weeks after they cut taxes for millionaires.

Families with children will lose an average of £511 from changes to tax, benefit and tax credits introduced from the start of April and up to a million families will lose their tax credits altogether.

This comes on top of a rise in VAT which is costing families with children an average of £450 per year.

What can you expect from an out-of-touch government run by millionaires? Are we really all in this together?

Calming measures a 'failure'

I WRITE once more to illustrate the failure of the traffic calming in Heath Hayes.

I use this road often, in either a Mitsubishi 4x4 or a Smart car. The Mitsubishi spans the humps easily, the Smart slows to a virtual standstill. Emergency vehicles or first responders' estate cars cannot clear the humps and the state of the road is abysmal.

I believe the scheme is not environmentally friendly. Slowing and accelerating uses more fuel. This will lead to more shunts and I would hate to be a patient in an ambulance or be someone waiting for one to arrive.

It seems on one hand that councillors are saying they need to protect their village and its' tenuous commerce and on the other hand dissuading the general driving public from patronising it.

Incidentally, the word council comes from the Anglo Saxon word "Witan" or group of wise men? I sometimes wonder.

Reflections on a day out that cost only £1

THIS IS a summary of a recent visit to the Hednesford mining memorial which gave me a great deal of pleasure.

I wander around the car park looking for the pay machine. But guess what? It's free. I find the memorial at the top of Market Street, it's nicely kept and well-situated. Having found my father's name, I sit quietly for a while.

The library is just opposite so I call in. "Can I use the reference section?" I ask the lady. "Of course," she replies. "What are you looking for?" "Any information on trolley jacks." – "Trolley Jacks!" We look, no joy, but both smile.

I fancy a drink and try the Coffee Pot. "Can I have a coffee please?" "Of course," the lady replies. "How much?" I ask. "£1," she says. "Find a seat and I will bring it over." I smile. I return to the car and reflect on the day very pleased, still smiling and all for the princely sum of £1. Thank you very much to CHAPS and the people of Hednesford.

Some shoppers do like cashiers to chat

I AM sorry that 'Fed Up Shopper' is so annoyed when check-out staff at supermarkets engage in a bit of friendly chat with customers. However, some people do enjoy a bit of conversation with the cashier, even if it is only about the weather. Some customers live on their own and the shopping trip maybe their only contact with the outside world.

For busy people who do not have time to chat, there is always the 'self-service' till where staff are on hand if needed. So please let us continue with our friendly cashiers.

Labour is Your Voice in Tough Times

Reasons to vote LABOUR on 3rd May 2012:

1. The Tories and Lib Dems have reduced the taxes for millionaires in the Budget.
2. They have brought in the 'Granny Tax' which penalises people who have worked hard all of their lives and puts up their taxes.
3. Our out of touch Government has even brought in a "pasty tax" and Cameron can't remember when he last had a pasty!

Are we really "all in this together?"

Your **LABOUR** run Cannock Chase Council has frozen your council tax, frozen councillors' allowances and protected services.

Unlike the Tory-run Lichfield Council which has increased their council tax by 3.4% and is cutting services.

A 60s/70s view of Gilpin's from Watling Street looking up Walsall Road

Forge House in Wedges Mills, where William Gilpin came to live in 1790

Gilpin's old family home at Longford House, now a Beefeater restaurant

The range of edge tools made at Gilpin's works

Tool-maker Gilpin had the edge over rival businesses

WILLIAM Gilpin came to live at Wedges Mills in 1790 moving his family into Forge House, and his auger-producing business from Wolverhampton into the adjacent mill.

The business grew, in part due to Gilpin realising that there were many experienced men working for companies such as Underwood at Coaley in Gloucestershire, and persuading them to move to work for him.

He expanded by purchasing land in 1804 at Churchbridge on the junction of two main trunk roads, Watling Street and Walsall Road. This allowed him to increase in both size and approach.

He decided at this time it was more economical to produce his own raw materials where possible. He opened

By Dave Battersby

coal mines in Coalpit Field Cheslyn Hay, and Walkmill Colliery, between Walkmill Lane and the Watling Street in Bridgtown and he sold the surplus coal to the general public. He started to produce his own iron and steel from Slitting Mill near Rugeley and built kilns to enable it to happen.

Gilpin built a new family home at Wedges Mills and named it Longford House. It is now the Beefeater Restaurant.

He constructed at Churchbridge a large factory which enabled his business to move from auger work to become one

of the largest edge tool makers in the country employing more than 300 people. His range included hammers, axes, scythes, adzes, hammers, chisels, and many other carpentry tools.

After his death in 1834, various generations of the family continued to operate the business, until the 1930s when it merged with Whitehouse Brothers from Bridgtown, based on the Churchbridge site.

Landmark

At the height of its success, Gilpin's tools were sold throughout the world. Production ceased in the 1970s due to falling demand and cheap imports.

The empty buildings continued to be a dominant local landmark until a fire in the early 1980s which caused extensive damage. A major housing development is now taking place on the site.

Nearly a fifth of parking tickets are later cancelled

Making light work of torches

Tia Wadsworth, aged seven and Eleanor Homer-Richardson, six, with their torches at (the Museum of Cannock Chase

THE OLYMPIC torch may not be on its way to London quite yet but Cannock youngsters did the next best thing when they made their very own versions.

As part of an art workshop at the Museum of Cannock Chase the children were taught how to make a

colourful cardboard torch, which they then got to take home.

The museum's arts development team ran the session, which took place during the Easter holidays.

Ruth Sharman, from the Valley Road, Hednesford, venue said: "It was a popular event."

NEARLY a fifth of all parking tickets handed out in Cannock during the past 12 months have been cancelled.

In the past year 7,178 tickets were issued, up from 6,047 issued in 2010/11, but figures released this week show the average cancellation rate is 17 per cent. Of those, more than 10 per cent were cancelled because disabled drivers had not displayed their blue badges correctly.

The district council has a policy which states that where blue badge holders have made a mistake they will have their first offence cancelled.

Of the 7,178 tickets handed out, 768 were cancelled because of mistakes with disabled badges and 162 were withdrawn because of people not displaying their tickets properly.

Twenty tickets were cancelled due to "equipment faults" while 23 were due to disputes over signs and lines.

A further 39 were cancelled as the driver was loading or unloading goods and 73 for civil enforcement officer errors. Twenty were discarded for tickets machine faults and 119 for "miscellaneous reasons".

Councillor John Bernard, who sits on Cannock Chase Council's Joint Parking Committee, said: "You can't blame disabled people. They know how to set the clock, they sometimes forget to display the ticket correctly."

He added: "Soon it won't matter. There is a new blue badge coming out soon where it doesn't matter how it is displayed."

Geology field trips start

A SERIES of geology field trips starts next week at locations throughout the Midlands. Those interested should meet at Cannock Library, in Manor Avenue, at 2.30pm on Monday, April 23. Anyone unable to make the afternoon time slot should make alternative arrangements by calling either 01543 579805 or 07432 076673.

Leisure firm lands deal to transform nightclub

A RUGELEY leisure company is to design a £500,000 transformation for one of Nigeria's top nightclubs.

GMP Design is working on the major revamp scheme for the NV Night Club in the five-star All Seasons Hotel in Owerri, the capital of Nigeria's Imo State.

Owerri has a population of more than half-a-million and is the entertainment capital of Nigeria with a big student population. The Nigerian contract is GMP's second major project in a little more than a month. It has also clinched a lucrative deal to design a major revamp for the Coco Nightclub and Sports Bar in Georgetown, Guyana.

GMP Design, on the Towers Business Park, was established by businessman Neil Morten 20 years ago. It has become a leading bar, restaurant and club interior design company.

Lots of fun at quiz

Debbie Curtis promotes the fundraising quiz night

QUIZ fans will get the chance to test their knowledge in Penkridge next week and raise funds for a worthy cause.

Auction house Cuttlestones is to host a charity quiz in aid of Katharine House Hospice. It forms part of the company's drive to raise £10,000 for the charity during 2012.

The event will take place at Penkridge's Peace Memorial Hall in Pinfold Lane on Wednesday, April 25.

The quiz has a general knowledge theme but there will be a nod towards Cuttlestones' antiques trade in the form of a special 'bonus' round. This will see teams asked to guess the identity of mystery antiques for the chance to bag extra points.

Cuttlestones' client manager Rosie Blackburn will be asking the questions.

The quiz will start at 7pm with a buffet and licensed bar provided. Tickets are priced at £5 per person and teams of up to six people can join. Call 01785 714905.

More school places after funds boost

MORE than £12m has been awarded to schools across Staffordshire to create extra pupil places, the Education Secretary has announced.

The funding has come from the Government as part of a multi-million pound plan to cope with space shortages due to rising birth rates.

Staffordshire County Council is one of the biggest beneficiaries, with education secretary Michael Gove awarding £12.8m.

It comes after figures showed three youngsters were battling it out for just one place at the most popular schools in the county.

The most sought after school is Gorsemoor Primary in Heath Hayes, with 165 parents putting it down as one of their choices while just 60 places are available for September.

Head Paul Bennett says a growing population is one of the key factors as to why the school received so many applications.

The money will be spent in the next financial year to cover the cost of catering for more pupils and expanding school buildings.

A total of £600m is being made available nationwide.

A Department for Education spokesman said: "The additional £600m in funding will help local authorities create thousands of new school places across the country."

Head Paul Bennett says a growing population is one of the key factors as to why the school received so many applications.

The nursery opened late last year and inspectors were particularly impressed by the speed at which children settle in to their new surroundings, and the welcoming environment created by staff.

The Olsted team felt most children were making good progress in their learning and development.

'Good' rating at nursery

A RUGELEY nursery has received a "good" rating from Ofsted. Little Graduates Nursery, in Power Station Road, earned a good rating across the board.

The nursery opened late last year and inspectors were particularly impressed by the speed at which children settle in to their new surroundings, and the welcoming environment created by staff.

The Olsted team felt most children were making good progress in their learning and development.

Keeping it in family as presidents

CHASETOWN WI

ROSE Morgan welcomed members and guest Kay Jackson, a WI country adviser, to the AGM.

The ordinary business was carried out first and among items discussed was the recent group meeting hosted by Chasetown. It was agreed that it had been a very successful evening in no small part due to the enthusiasm displayed by the speaker, the antiques expert Charles Hanson.

Next on the agenda was a fish and chip supper and having thoroughly enjoyed the meal the ladies were ready for the second part of the evening, the AGM.

Rose gave her presidential and secretary's report and has now retired as president having completed her three year term of office. Auntie and niece team Hilary Ball and Joyce Taylor are the new joint presidents.

A new committee was elected and positions confirmed. The only other retirement was programme/press secretary Anne Leech, who has completed 40 years as a committee member and has held every position except treasurer.

Rose was thanked for her hard work and for her success in obtaining grants for the promotion of our WI.

The evening was finished off with a light hearted quiz compiled by Angela and with the drawing of the raffle.

Ladies Probuc Club members enjoy their 25th birthday bash

This was a very special occasion with many of the Founder members, still members of the club today, able to be in attendance. They were each presented with

CANNOCK CHASE LADIES PROBUS CLUB

Cathedral trip coming up

JOSE Aulton welcomed everyone to the March meeting and introduced Laura Leong who gave a demonstration entitled 'Springtime Inspirations'.

This was a wonderful evening with lovely flowers in great colours and unusual arrangements. Along the way Laura gave great tips so members learned a lot and were entertained. The

NORTON CANES FLOWER CLUB

arrangements were raffled off at the end of the evening and several members went home with lovely flowers.

There is to be a trip to Coventry Cathedral flower festival on Saturday May 5. The previous day is

National Flower Day and arrangements are to be displayed in local venues.

The Open Evening is at Norton Canes High School on Wednesday April 25 at 7.30. The demonstrator will be Lee Berrill with 'Flights of Fancy'.

Tickets are available now at £5.50. Telephone 01543 279133 for further information and tickets.

Open garden profits to go towards Jubilee

John Wilde tends to his plot ahead of this weekend's open garden at Holly Cottage, Admaston near Rugeley

TWO-AND-A-HALF acres of exquisitely maintained gardens will be opened to the public this weekend.

Visitors are invited to Holly Cottage, in Admaston near Rugeley, to explore its flourishing floral displays, wild woodlands and shady pond garden on Sunday, April 22.

Owner David Leech, aged 66 is looking forward to showing off the gardens, along with his 75-year-old partner John Wilde. The flower beds feature camellias, rhododen-

dron, daffodils, tulips and flowering currants, while the woodlands have produced a stunning crop of wild garlic.

"The trees are coming into leaf and we have got wonderful views of Blithfield Reservoir, too," Mr Leech said.

The gardens will open from 1.30-5pm, with entry at £3 for over 16s and children free. Proceeds this year will go towards Diamond Jubilee celebrations which Holly Cottage is organising for the parish, on June 4.

War graves plea to teens

TEENAGERS are being urged to continue a 50-year tradition by tending to war graves on Cannock Chase.

For half a century, youngsters from Staffordshire and the city of Bremen have come together each summer to tend the German and Commonwealth War Graves on Cannock Chase.

This August will see two weeks worth of celebrations between the German War Graves Commission and

Staffordshire County Council, and chiefs want 16 to 17-year-olds to respond to the call.

Children's boss, county councillor Mike Lawrence, said: "Young people have been making annual visits from Germany to help tend the military plots for nearly 50 years."

Isa Nolle, a youth officer at the German War Graves Commission, said: "My father was a soldier and prisoner of war in England during the Second World War. In 1962 he brought

250 young German boys to Cannock Chase to help build the cemetery, and since then young people from Staffordshire and Bremen have come together every year to tend the graves."

Young people who want to be involved must be available between August 13 and 27, be aged 16 or 17 and live in Staffordshire.

Anyone interested is advised to contact Sue Boardman or Sharon Smith on 01785 854125 or email youth@staffordshire.gov.uk

Heretic's family are guests at display

THE AMERICAN descendants of one of Lichfield's most historical figures were special guests when the city's Guildhall prison cells were reopened to the public.

Edward Wightman was detained at the cells 400 years ago and became the last person in England to be burned at the stake for heresy on April 11, 1612.

To mark the anniversary a civic ceremony was held in Market Square, attended by three members of the Wightman clan.

They travelled across the pond especially for the occasion and gave a speech to the assembled audience, before a wreath was laid and prayers said to commemorate Wightman.

Respected

Jo Wilson, museums and heritage officer for Lichfield City Council, said it was moving event.

She said the exhibition attracted 170 visitors when it was first opened last Wednesday (April 11).

Wightman, from Burton-on-Trent and a well-respected community leader and ale-house keeper, met his fate next to St Mary's Church on Market Square.

After Wightman's death King James I, who ordered the execution, decided that heretics should be condemned to waste away in prison rather than to amuse crowds with a public death.

The cells are open to the public every Saturday from 10am-4pm and admission is free.

Hollywood artist exhibits in city

A HOLLYWOOD artist whose fans include Catherine Zeta Jones and Sylvester Stallone will bring a touch of glamour to Lichfield when he showcases his latest work.

Text message bid to give out council information

RESIDENTS can get information about rubbish collections and recycling facilities direct to their mobile phone under new plans. Councils across the county, including Stafford, Cannock and Lichfield, are considering jointly investing at least £3,000 in the text message technology.

Residents would get information about bin collections and the like sent via text message. It is hoped it will save money as it will reduce the need for face-to-face meetings and telephone calls.

Council bosses will discuss the plans in more detail and report outlining options will go before the Staffordshire Waste Officers Group.

Food store owner looks at move to vacant unit

TWELVE jobs could be created as a Cannock sandwich shop looks to expand. Carl Moule, of Jessica's Fresh Foods, in Market Hall Street, wants to open a vacant unit.

Offenders fail in bid to break in at Co-Ops

WOULD-BE raiders failed in two attempts to break in to Co-Op stores in Penkridge.

Both incidents happened in the early hours of Good Friday, April 6, between 1 and 2am.

The three offenders first failed to gain entry to the store on Wolverhampton Road, causing damage to its outside.

They then targeted the store in Market Street, damaged its front door, but again fled empty-handed.

The offenders are described as medium build and wearing black or dark-coloured tops and bottoms.

Hatchback

One was seen carrying a large, white, builder's merchant-type bag and another was holding a large sledgehammer.

They were seen in a dark-coloured medium-sized hatchback car - similar in size to a Ford Focus or Audi A3 Sportback.

The car's registration may have included MF07 or NF07.

Anyone with information is asked to contact DC Matthew Gould at Staffordshire Police on 101, quoting incident number 36 of April 6.

Alternatively, they can call Crimestoppers on 0800 555 111.

Metal thief was spotted by guard

A MAN from Cannock stole scrap metal from an industrial estate after climbing through a hole in the fence. Dale Noble was later spotted by a security guard.

Noble, aged 35, pleaded guilty to a charge of theft at Cannock Magistrates' Court last week. He said he wanted to sell the metal to buy alcohol to celebrate his birthday.

The court heard Noble entered Rumer Hill Industrial Estate in Cannock after being dropped off by his girlfriend on March 28 before stealing metal from a building set to be demolished. The property was owned by developers St Modwen.

Magistrates sentenced Noble to a 12-month community order for 100 hours of unpaid work and ordered him to pay £85 in costs.

Ranger set to retire

Sandwell Valley senior countryside ranger John Stokes who is set to retire next week after 24 years

A LONG-SERVING senior countryside officer will bid a fond farewell to his colleagues at a popular beauty spot as he prepares to retire after 24 years.

John Stokes, from Cannock, retires from his role at Sandwell Valley next Friday (April 27).

The 64-year-old father of two, who is married to Janet, said: "I do all the school visits associated with farming and I also do guided walks and talks and conservation work."

Over nearly a quarter of a century, Mr Stokes said there had been many changes at the site, granted national park status in 1983.

"When I came for the interview the farmyard wasn't even surfaced and the walled garden was just being built," he added.

"Not many places have three-and-a-half miles of countryside on the doorstep like West Bromwich."

"Sandwell Valley is all about maintaining open space especially with Sandwell being a deprived area."

Popular choir in recruitment bid

A POPULAR Cannock choir is seeking new members to help build on its success.

The Cannock Chase Orpheus Male Choir was formed from the collaboration of a number of local miners' choirs more than 50 years ago.

It is due to perform at the dedication of the Hednesford mining memorial on April 28.

The Queen's Diamond Jubilee is also high on the agenda as the choir will sing at the Pelsall Pride Partnership Picnic and Music event at Pelsall Common on June 2.

Last Saturday, April 14, the choir raised the roof at Darlaston Methodist

Church. Its next date is at Christ Church, Tettenhall on Saturday, May 19 with tickets at £8 or £5 from Clive on 01902 759752 or Phil on 07736 197226.

Another concert follows on June 16 at St Augustine's Church, Rugeley.

Publicity officer Brian Marks said: "You don't need to have sung in a choir before and if you think you have a voice don't hesitate to get in touch."

The choir rehearses twice a week at Great Wyrley Wesley Methodist Church on Walsall Road.

For more details, call Brian on 01922 410209, musical director Alan Jones on 01922 412094 or visit www.chaseorpheus.co.uk

Sport Relief money raised

SOUTH Staffordshire College raised more than £400 following a day of activities for Sport Relief.

Pupils and lecturers held events at both the Rodbaston and Tamworth campuses. Ian Smith, engagement assistant, said "The day was very busy and a real success; we had a record number of people attending with 312 learners and 25 staff in total taking part in the run."

To raise over £400 in a single day is a fantastic achievement."

Silverstone date for budding engineers

BLACK Country University Technical College (UTC) students are currently creating battery powered cars which will be raced at Silverstone, as part of a Greenpower Education Trust enrichment activity.

The prospective engineers have been tasked with building, developing and racing a car, in competition against other schools across the country. The Black Country UTC will be entering two cars, one in the 14-16 category and one in the 16-25 category.

The cars are built from Greenpower kits and will be ready to race in the season opener at Silverstone, where they will be challenging each other to an 80 minute race using one set of batteries. The winner will be the team with the car which covers the furthest distance within the set time.

Innovative

The innovative project is giving students real experience in engineering development and the students' participation has been partly funded by local employer and Black Country UTC partner, ZF Lemforder.

To compete at the highest level, students will need to use their knowledge of aerodynamics, the use of energy and calculating efficiency.

Chris Hilton, principal of the Black Country UTC commented: "This is an extremely exciting project, giving students hands-on experience in building and developing their own cars."

"The challenge will be an invaluable experience for them as they embark on their future careers in the technical industries."

The Black Country University Technical College is a specialist engineering and science college for 14 - 19 year olds and offers GCSE's, A-levels and BTECs in a range of subjects. There are also pathways for students wishing to progress onto apprenticeships or level 3 vocational courses relating to engineering.

UTC students with one of two cars to make their way around Silverstone

Expert teachers and outstanding the first of a new breed of schools across the country, offering 14 - 19 year olds the opportunity to work on exciting and challenging projects, developing innovative products and processes that could change the way we live.

NEWS
in briefVillage to mark
St George's Day

ENGLAND'S patron saint will be celebrated in Great Wyrley this weekend.

The Great Wyrley branch of the Royal British Legion has combined with the village carnival committee to stage the St George's parade on Saturday (April 21). It will leave Harrison's Club in Wharwell Lane at noon and travel around the southern section of the village, before returning to Harrison's beer garden for a fete, barbecue and clown.

Proceeds will go to the Poppy Day Appeal.

On St George's day itself (April 23), Cathy Christian will provide the entertainment at Harrison's Club. Tickets are £2.

Stroke victims in
model night date

A FASHION show is being held in aid of Cannock Tuesday Stroke Club early next month.

It takes place at Cannock Conservative Club, High Green, from 7.30pm on Thursday (May 3).

Stroke survivors and their carers will model outfits from M&Co.

Tickets are £5, available from Pat Stanley on 01543 423750.

Animal care for owners is posted online by vet

A GREAT Wyrley vets has come up with the perfect solution to the difficult task of getting animals to take their tablets.

Hamish Duncan, of 387 Veterinary Surgery, of Walsall Road, has produced an online step-by-step video.

As well as giving a cat a tablet, Hamish has also made recordings of him brushing a dog's teeth, giving a rabbit its medication and administering eye and ear drops.

The idea is part of National Pet Month and the 39-year-old hopes the videos – which have been posted on YouTube – will help animal lovers across the world.

"People struggle giving their cats tablets because they are often scared of them – they don't want to end up badly scratched," Hamish said.

Confidence

"The centre opened in 2007 and the number of people we see who are unsure how to treat their pets at home has been a regular problem.

"Because of the owner's lack of confidence, the pets often end up missing out on

by Cathy Spencer

treatment, which can delay recovery, and also drugs can be wasted."

Hamish says they decided not to give out leaflets but create 24-hour video advice.

Pet owners will be able to access the videos through www.387vets.com/blog, from their Facebook page and directly from 387 Vets on YouTube.

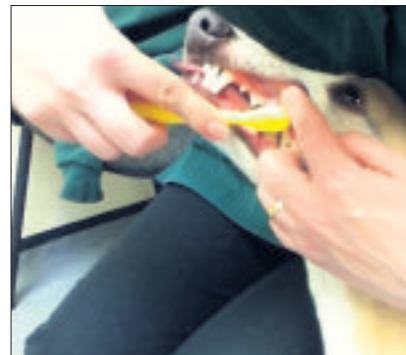

"The first step-by-step video tutorial has already had a number of hits," said Hamish.

"The fact that our clients can watch their own vet give

step-by-step instructions will benefit the owners as well as the pets.

Thousands try out the latest gadgets

THOUSANDS flocked to the NEC Birmingham for the five-day Gadget Show Live where the latest home and leisure technology products were unveiled to the public.

The hordes of gadget fans, many eager to get 'hands on' with the new products, were kept busy with zones dedicated to photography, gaming, in-car entertainment, music making, home gadgetry, outdoor pursuits and future technology. There were also product launches and lecture theatres where gadgets were put through their paces.

Some of these products were toys for very rich boys (or girls) including the **TL1 motion simulator** with wrap-around 180 degree screen at an eye-watering £11,500. A three million pixel screen and fully adjustable seat sensitive to road feel complete with driving wheel and pedals, all of which can be plugged into a Windows 7 PC, make this the ultimate racing sim... for the price of a car. Just won the lottery? How about the £40,000 pro version?

Anyone who has ever owned a flying toy will have been drooling with desire at the **Parrot AR Drone 2.0** which can be controlled via an Android phone or tablet. Out in June, this highly manoeuvrable four-propeller flying machine (a quadricopter that can flip over!) packs onboard cameras for high-definition aerial footage that can be beamed back to your phone instantly or uploaded onto YouTube.

Those who couldn't afford the £279.99 were later seen mooching around the Flying Gadgets stall where you could pick up a less hi-tech copter for around £20.

I remain very sceptical about the

American rap star 50 Cent launches his new headphones range at the Gadget Show Live in Birmingham

Solowheel as the future of personal transport but this is certainly the smallest most portable transportation device being no more than a chunky wheel containing an electric motor and a couple of footplates.

It is basically a unicycle without a seat or the handle of its rival the Segway. It does have a gyroscope to make the device 'self-balancing', a range of 12 miles on a single charge and a top speed of 12 mph.

At £1,189 a pop for the Solowheel, I reckon it has got some way to go before they become a familiar sight. And you

can't customise it like a scooter. Solowheel also had some competition from motorised skates **Spnkix**, from California, which fit over your shoes and can propel you to speeds of six to ten mph. They are currently available in the US for around £400.

New York rapper and business mogul **50 Cent** (AKA Curtis Jackson) is expanding his empire into high-end audio by launching his own range of headphones, which he personally introduced at the Gadget Show Live's media and trade day. He has teamed up with SMS Audio to take on his LA rival Dr Dre whose Beats branded phones are bestsellers.

Sound

'Fiddy' stressed his input testing the phones in development and answered some technical questions from the audience, lest we think he was just putting his name to the product. He explained that after putting effort in at the studio to perfect his music, he wanted fans to experience the best possible sound reproduction.

Also a campaigner against world hunger, 50 Cent said he would be encouraging distributors of his phones to contribute to his charitable ventures via his brand of "conscious capitalism".

The rap star added: "I grew up without money but I didn't grow up hungry."

His range of three professionally tuned high-end pairs of cans include the £99 Street by 50 earbuds, £199 Street by 50 over-ear headphones to £299 top-of-the-range wireless Sync by 50 which can sync up to four users from one source. Both of the over-ear sets of phones have a 40mm driver.

Zumba classes to get under way for children

A TEENAGE zumba teacher is starting a new class for children in Great Wyrley next week. Emily Chetter, aged 17, began teaching zumba two years ago and has also staged charity events.

Her Zumbatomic class, for seven-to-12-year-olds, kicks off at St Thomas More Primary School, in Huthill Lane, next Tuesday, April 24, from 5.30 to 6.15pm.

Emily, a childcare student at Stafford College, said: "Zumbatomic is a specially designed class for children. They will learn through dance, music and exercise, have great fun and build up their confidence and social skills."

For more details, call Emily on 07527 354413 or 01902 791747 or visit www.zumba.org.uk

Meeting to bolster the support for rare disease

A SUPPORT meeting for sufferers of an incurable immune system disease called lupus is being launched next week at Cannock Chase Hospital.

The family-run Hibbs Lupus Trust, will be boosting its support for sufferers by holding the meeting in the hospital's conference room from 6-8pm on Tuesday (April 28).

The first meeting will be held in partnership with Mid Staffordshire NHS Foundation Trust where Consultant Rheumatologist Dr Venkat Chalam will be giving information on lupus and its treatment.

Dr Chalam said: "We encourage anyone with an interest in lupus to come along and find out about this condition and its management."

The Trust was set up by John Hibbs, of Hednesford, and his family, for people in mid-Staffordshire affected by the illness.

Mr Hibbs, aged 33, has already worked tirelessly for the West Midlands Lupus Group, running marathons and taking part in charity cycle ride and decided to start the charity to help more people directly in the area.

Awareness
John's sister Viki was diagnosed with the condition in 2008 and the family, including mum Carol and wife Kate, have been raising money, and awareness of the condition.

John said: "This is a great opportunity for people across Staffordshire living with lupus to meet and share experiences with others in a similar situation."

Anyone planning to attend the event should call Mid Staffordshire NHS Foundation Trust on 01785 887504 or email membership@midstaffs.nhs.uk to book a place.

Flower display

SARAH Fenton will give a demonstration to Cheslyn Hay & Great Wyrley Flower Club tonight (Thursday). It is entitled Let's Go and takes place at the Salem church hall, in High Street, Cheslyn Hay, from 7.30pm. Admission is £4.50.

Toddlers waddle for cash

CHILDREN took part in a toddler waddle to raise money for charity. The youngsters walked and waddled around the garden at Happy Tots Nursery, in Bridgtown, in aid of the Children's Meningitis Fund.

Judy Kelly, manager of the nursery, at Orbital Plaza, said: "The children had great fun wearing duck hats and carrying bright yellow balloons while raising money for a charitable cause."

Over the last four years, Happy Tots in Cannock has raised more than £1,000 for the Meningitis Trust through the Toddler Waddle.

POT OF GOLD FOUND!

JEWELLERY & GEMSTONE ROADSHOW

Couple receive cash award for unwanted items

A LOCAL couple this week had a very lucky day when visiting a Jewellery & Gemstone Roadshow. Like most households they had a drawer full of bits and bobs including an old gent's watch from approximately 1930. The watch was working but had been left to them. A selection of old, broken and incomplete rings and a few odd items of unusual jewellery were also included.

"The young couple were delighted with the good news," said Mr Paul Franks, a professional jeweller. He went on to say, "The couple asked me not to reveal the exact amount they received but I can confirm we are talking thousands of pounds."

HIDDEN TREASURE

Like most readers you probably have dreamt about winning the

pool or finding a pot of gold. Many households have hidden treasure sitting around with the owners not knowing the true value. Well, this week is your chance to visit Jewellery and Gemstone Roadshow at Roman Way Hotel, Watling Street, Hatherton, Cannock, West Midlands, WS11 1SH. Mr Franks added, "With many years of experience in valuing and purchasing watches, jewellery and gems, I could tell you many stories when people have visited a roadshow with

items that were seemingly of little value to them." Whilst reading this article, many readers will be thinking of an old item or a piece of unused jewellery.

VALUATION

Mr Franks added, "The reasons behind choosing Roman Way Hotel, Hatherton, Cannock is because it's well situated and well known to local people. The roadshow will be the last of its kind to visit the Hotel. Many

items are hoped to be found." Your help is needed to make this unusual event a success with a free valuation service and no obligation to sell, what is there to lose? Things you should look for and take next week include broken rings, old chains, pocket watches, old silver, diamond and gem set jewellery (even with stones missing), old pictures, objets d'art, coins, medals and virtually anything old or interesting. Their buyers urgently require

stock for collectors and overseas customers, and are offering an instant cash settlement on any items they buy. No matter how large or small your find, you will be pleasantly surprised by their cash offer, but remember the roadshow is 3 days only next week at Jewellery & Gemstones Roadshow at: Roman Way Hotel, Watling Street, Hatherton, Cannock, West Midlands, WS11 1SH, Sunday 22nd, Monday 23rd & Tuesday 24th April. 11am-4pm.

Residents' lives 'made hell' by school parking

RESIDENTS living near a school in Hednesford say inconsiderate parking outside their homes is making their day-to-day lives hell.

People living near West Hill Primary, in High Mount Street, say parking has

been a problem for years, and while they do not blame the school, they say parents of the pupils need to show more consideration.

Andy and Pauline Warrington live directly opposite the school and say at times they are forced to park more than a mile away. Mrs Warrington,

aged 58, said: "Our house is the only one not to have a garage or driveway and it's not a particularly wide road."

Obstructs

"The school staff and the parents who collect their children double park and it completely obstructs the road."

Councillor George Adamson, Leader of Cannock Chase Council, said the police had been asked to monitor the situation.

He said: "We have asked the police to do more. PCSOs have gone up there and it seems to be okay when there is a police presence."

Free mini-market

A FREE admission mini-market is being held on Saturday (April 21) from 10am in St Luke's Church centre. Home-made cakes will be on sale and Ploughman's lunches served from noon.

BRITAIN'S GOT TALENT

ITV1, 8.30pm

There have been plenty of deluded wannabes this year, and some genuinely talented acts. Ok, Mr Zip's rap Where Me Keys? Where Me Phone? is catchy, but, occasionally there are acts who take your breath away. Few could forget teenager Ashleigh and her lovable dog Pudsey, while Irish singer Ryan's song No Name was TV gold. Who will go through this week? Well that remains to be seen, but you can bet that David Walliams will be winding Simon Cowell up a treat, while Amanda Holden and Alesha Dixon add lashings of glamour to the proceedings. As ever, Ant and Dec host.

ONCE UPON A TIME

Channel 5, 9pm

Since Lost finished, fans have been waiting for its successor, but all have come up short. Once Upon a Time has potential though, giving popular fairytales a modern twist, as well-known characters find themselves living in a New England town called Storybrooke due to the Dark Curse hanging over them all. This week, in fairytale land, Rumpelstiltskin (Robert Carlyle) persuades Cinderella (Jessy Schram) to sign a contract that she later realises means she has signed away the rights to her firstborn child. Meanwhile, in Storybrooke, Emma Swan (Jennifer Morrison) helps a young woman called Ashley with an uncanny likeness to Cinderella.

Aston Martin presents a new superstar for the carbon age

ALL CAR manufacturers need to balance progress without leaving behind customers who love the current cars.

It's a problem for Aston Martin, a firm steeped in history and with an image intimately tied to past products: the classic DB5/6 is one of the world's most famous cars thanks to a certain secret agent.

But how does that help you sell a new car? Take in the details of this DBS Carbon Edition and Aston Martin has got it spot on.

It starts with the grille and its distinctive shape that echoes those 50s and 60s icons.

Sandwiching that is a carbon fibre splitter and LED headlights, with 21st century written all over them, and the choice of diamond-turned alloy wheels, carbon fibre door mirrors and rear light surrounds.

Two unique colours – Ceramic Grey or Flame Orange, go through a 25-hour hand-finishing process. The DBS usually wears more sober shades but this vibrant paint draws out the sensuous curves.

The flip-up door handles are a triumph of style over function; a little more awkward than a normal handle, but worth it for the

By Matt Joy

looks. Pop the handle and the doors swing out and up. In the cabin there's more carbon fibre – over the top of the dashboard while the lower half is finished in piano black. The roof lining is finished in quilted leather, so every surface is a visual and tactile treat.

The DBS receives the upgraded Garmin sat nav system, a big improvement. These enhancements add to the sense of occasion and are the perfect appetiser to the driving experience.

Magnificent

The starting routine remains the same, slotting the sapphire glass oblong key into the centre of the dashboard, followed by a rapid whirr and a snarl as the magnificent V12 fires into life.

Getting going requires a push of the D button in a Touchtronic II-equipped model, and the fly-off handbrake is a lovely nod to older Aston Martins.

The DBS has Sport suspension mode as standard, so starting in default makes your

ride comfier than you might expect.

It's no limousine, so you are always aware of the road beneath, just as you should be.

In this mode it covers long distances with ease and in fine style, although you might need to refuel fairly regularly.

Punching the Sport button sharpens the throttle response and tightens the dampers. A flick of the paddles controls the gearbox, and immediately you feel the car tighten up.

Exercising that big V12 is a lesson in how a mechanical thing can live and breathe. The raw figures say plenty – 191mph and 0-62mph in 4.3 seconds – but it feels faster.

Carbon ceramic brakes shed the speed with consummate ease, allowing you to charge up to a bend in complete confidence.

When you ease the DBS into that curve, you have the classic front-engined, rear-wheel drive set-up to inspire assurance.

But this is a modern car, with two-stage ESP to suit the conditions, so it grips and communicates as well as you would hope.

It may not be as fast as its younger rivals, but it's for you to decide whether that is more important than the size of your grin as you exit a bend, rear tyres lit up and 6.0-litres of muscle roaring away.

The DBS drips with charisma and scintillating presence

Arrow-shaped body styling and bright red duco make this car an eye-catcher

Inside the Sportrider a host of extras come as part of the standard package

All eyes on Ibiza revamp

By **Graham Breeze**

IT SEEMS to me that there's a growing fan base out there for SEAT, judging by the reaction to my test drive of the Ibiza five-door Sportrider.

The 1.6 TDi CR may only be an upgrade from the three-door equivalent but in Dakota red it seemed to attract attention everywhere I went on a week-long test drive.

Complete strangers were asking questions I often couldn't answer about top speed, fuel consumption, price and CO2 emissions which is unusual.

It has to be the 'arrow' style body shaping from the Spanish brand that attracted so many. Low headlight and grille positioning give the sporty look with side modifications adding another nice touch.

This Ibiza really gives SEAT a lift in the ultra-competitive supermini sector. Produced exclusively at a state-of-the-art factory in Barcelona, the company claims this model to be a match for anything in class – and at a good price too.

I remember my first drive in a SEAT and the impression that this was just a cheaper Volkswagen. Well, how that has changed with a marked improvement in build quality and high levels of comfort and sporting attitude.

Inside there's an improved feel of quality matched to comfort. An attractive dash area has all the paraphernalia you expect from a much more expensive option including Bluetooth connectivity and a navigation system if you want to pay extra.

Leather

There are sports seats which can prove a little too hard for some on long journeys and a host of standard items such as 17-inch alloys, sports suspension, rear-parking sensors, tinted rear windows, climate control which includes a refrigerated glovebox and a leather wheel and gear stick.

But the Sportrider comes with much more. The things you would expect to have to dip into the back pocket for such as automatic lights and rain sensor wipers, dimming rear view mirror, body-coloured door handles and steering wheel-mounted radio controls all come as part of the package.

The five-door model has a longer wheelbase and wider track which of course means more room inside with an eight per cent boost in boot space – just enough for the golf clubs.

This is no flier but it does 0-62mph in 10.5 seconds and has a top speed of 117mph and outstanding CO2 emissions of 112g/km.

But what makes me think that SEAT are right on the button with the Sportrider is the fuel consumption figures. Not many cars in this sector boast combined fuel consumption figures of 65.7mpg.

Competition in the sector is as tough as it gets with Mini, Renault Clio, Corsa, Fiesta and Yaris in the field. But Sportrider is up there with them and its little wonder that the Ibiza remains the SEAT brand's best selling car.

No flier, but it makes 0-62mph in 10.5 seconds

Fiesta now celebrating improved fuel levels

NEW HI-TECH developments have made Britain's best-selling car and small van even cleaner with latest emissions dropping from 95 to 87g/km of CO₂ and combined fuel economy rising to 85.6mpg*.

The significantly improved efficiency, boosting the environmental performance of the Fiesta and FiestaVan featuring EConetic Technology by over 12 per cent, has been achieved through the introduction of:

- Auto-Start-Stop
- Revised gear ratios
- EcoMode
- Smart regenerative charging

- Upgrades to the 95PS 1.6TDCi engine including friction and combustion improvements and calibration optimisation
- Improved efficiency of the air conditioning, cooling fan and alternator

Original equipment fitted as standard to the Fiesta and FiestaVan EConetic, including rolling resistance tyres, an aero pack comprising

undershield and wheel deflectors, variable flow oil pump and shift indicator light, is carried over on EConetic Technology models.

Sustainability is important not only for the car, but also for the facilities behind its manufacture.

Ford's Dagenham-built Duratorq TDCi engines are produced in a facility that derives all its electricity from renewable sources, with three dedicated wind turbines. The Ford Fiesta with EConetic Technology has three trim levels to suit different customer requirements: Edge, Zetec or Titanium.

Such advanced fuel economy avoids UK road tax contributions, yet the refinement and personality of the Fiesta is retained.

Ford Fiesta's value story continues with five engines in the Fiesta line-up emitting less than 130g/km of CO₂ making them exempt from vehicle excise duty in their first year.

This includes the 1.4-litre and 1.6-litre TDCi diesel engines, the 1.25-litre 60PS and 82PS petrol engines and the latest 1.6-litre TDCi 95PS EConetic Technology engine.

Swift has the sporty touch

AFTER the success of the previous model Swift, the special version Swift Attitude model is back on sale in the UK. It is limited to 500 units, and available as a five-door as well as a three-door.

Aimed at younger buyers, Swift Attitude is based on the 1.2-litre SZ3 model but with more sporty and aggressive styling.

The 1.2-litre Dual VVT 94PS engine is one of the most powerful in its class but has low emissions of 116g/km, 56.5mpg on the combined cycle and £30 in annual VED charges.

Swift Attitude is based on the SZ3 grade with seven airbags, ESP air conditioning and USB port as standard but offers front fog lamps and rear privacy glass with an enhanced sporty

appearance consisting of carbon fibre-effect roof and door mirrors, rear upper spoiler in body colour, carbon fibre-effect 'Attitude' badging and 16-inch wheels in black paint finish.

With an insurance rating of 9E, Attitude is ideal for younger Swift fans to own a bespoke and sporty looking car at an affordable price with low costs.

Suzuki Financial Services offer Swift Attitude for a deposit of £1,500 followed by 43 monthly payments of £179 and a final payment at the end of the agreement to keep the car.

Swift Attitude is available in Superior White only and competitively priced at £10,750 for three door and £11,220 for the five door model.

Nissan's Sunderland plant employs more than 3,500 staff and has built 6.2 million vehicles

Nissan faith reaps rewards

BACK IN 1985 it seemed to many like a massive gamble for Japanese manufacturer Nissan to open a car production plant in the UK.

At the time, import quotas restricted the number of Japanese cars that could be sold on these shores, but building them here would allow relative freedom.

Even so, car production in the UK was still strongly associated with the bad days of British Leyland - strikes and poor-quality products going hand in hand.

There were many hurdles to overcome,

not least transferring the high-quality standards demanded by the Japanese approach but also introducing car building to an area of the country with little or no experience.

Yet here in 2012, Nissan's Sunderland plant employs more than 3,500 staff, has secured production of the new compact car and will begin to build the firm's all-electric Leaf in 2013.

Export

It won the Queen's Award for Export in 2009 thanks to 80 per cent of its output being sent abroad and since 1985 has produced 6.2 million vehicles.

But Nissan's UK operation extends beyond mere production; its technical

centre in Cranfield, established in 1988, has grown from adapting Japanese products to suit European tastes to a full engineering facility and one that had a huge part to play in the success of the Qashqai crossover.

And in the heart of London, the Nissan Design Europe centre, despite only being nine years old, gave birth to the Qashqai and the radical Juke - two of the most forward-looking models to come from the firm.

Nissan is already a very British success story, and in a time when gloom is all that appears to lie ahead, the promise of new models and expansion of the Sunderland plant is a reason to be positive about this Japanese-Anglo alliance.

Mondeo - the car that goes the long distance

Ford Mondeo tops the mile-muncher list with an average 15,000 miles a year travelled

THE AVERAGE Ford Mondeo covers more distance on UK roads than any other vehicle, racking up more than 15,000 miles annually, nearly 600 more than the next most-used car, the Volvo S80, according to a survey.

Larger, more refined vehicles dominate Warranty Direct's rundown of the nation's top 10 mile-munchers, according to analysis of 50,000 policies on three to 10-year-old cars.

Volkswagen's Passat and the Audi A6 both also cover more than 14,000 miles on average, well above the rule-of-thumb average of 12,000 miles.

Even covering more than 15,000 miles annually, the Mondeo's reliability isn't diminished: 15 per cent require a warranty claim each year as opposed to the Passat which has a 44 per cent chance of acquiring a fault.

Small cars cover significantly fewer miles, with the Nissan Micra taking the title

of Britain's least-used car. Micra owners rack up 5,580 miles per year on average and superminis constitute nine of the 10 least-used cars in Britain.

Unsurprisingly, the least-used cars require less maintenance, with an average breakdown rate of 21 per cent in contrast to the most-used cars, 34 per cent, of which need fixing by Warranty Direct each year. The overall average is 39 per cent.

Favourite

Warranty Direct managing director Duncan McClure Fisher said: "The Mondeo has always been a favourite with company car drivers, and it appears they rarely stay idle for long. Despite this, they are reliable too."

"It goes to show that when buying used, the rule-of-thumb average mileage of 12,000 isn't really applicable, for example a four-year-old Micra's average mileage will be little over 20,000 miles whereas a Mondeo's will be more like 60,000 miles."

"The average 10-year-old Mondeo will have travelled equivalent to nearly six times around the globe."

IT'S THE COST TO CHANGE THAT COUNTS!

MG6 will be added to the stable of cars available to lease through the Motability programme

MG dealers offer motability scheme to disabled drivers

THOUSANDS of people throughout Britain will qualify to drive the new MG6 models under the Motability Car Scheme for disabled people.

MG dealers across the country are set to offer the award-winning MG6 GT when they join the Motability network from April.

Motability allows people who receive certain disability allowances to lease a new car. Nearly 600,000 people currently use the scheme.

It allows disabled people who qualify to lease a new car every three years and the package includes insurance, servicing and maintenance, full RAC breakdown assistance and annual car tax. Even non-drivers are eligible and are able to nominate a driver, providing they live within five miles of them, under Motability's guidelines.

Andrew Lowerson, MG Motor UK's Product Manager, said: "The MG6 is particularly suited to many Motability

users because it has an extremely roomy cabin and the boot capacity is class-leading.

"It's also a car that's easy to drive and has a host of extras as standard so the value for money is outstanding."

"Our dealers who have signed up to the Motability network will be able to guide people through the scheme and show them the MG6 models in great detail."

Mike Betts, chief executive, Motability Operations, said: "It's always great news when a manufacturer joins the Motability Scheme as it adds to the wide range of affordable choices available for our customers."

"We welcome MG Motor to the Scheme and look forward to working together."

● **Anyone who receives the Higher Rate Mobility Component of the Disability Living Allowance or the War Pensioners' Mobility Supplement, can exchange this weekly payment for a new car through Motability.**

Coates is keeping Wyrley warmer

Wyrley Wanderers U10 4 Silverdale Harriers U10 1
WYRLEY started the game strong and were soon awarded a corner from which Joe Coates tapped in to make it 1-0.

Soon after the restart Billy Ford collected the ball deep in his own half, ran down the right and evaded several players before cutting in to drive home the second goal.

Coates was the provider when Wyrley were awarded a free-kick, passing it to Ben Colgrove to get the third.

Coates added his second after a good passing move with Ben Colgrove. Silverdale scored a consolation goal with full-time looming.

Wyrley Wanderers U10 4 Bush Vikings U10 2

Coates started this game the same as he had finished the first with a well-taken goal to open the scoring.

Bush levelled but Braden O'Shea restored the lead and Billy Ford extended it.

Again Bush came back to make it 3-2, but O'Shea settled any lingering nerves with a fourth goal.

Home record stays unbeaten

Wyrley Juniors Utd U11 3 Four Oaks Panthers U11 3

WYRLEY finished the season with a creditable draw against the divisional champions to maintain their unbeaten home record.

United, with the wind at their backs in the first half, struck first with a Sam Foreman free-kick.

Panthers levelled, but United went two goals clear when Tom Wheeldon stabbed in a Foreman cross and then beat a defender to the ball before scoring. But again the Panthers fought back and levelled.

Promotion fun despite goals

Castle Vale JKS U13 4 Chase Athletic U13 4

TWO late Castle Vale goals failed to spoil the Chase promotion party.

The visitors led through a Mason Foster header and went on to hold a 4-2 advantage before an added seven minutes in which the hosts drew level, the equaliser coming from a penalty with the last kick of the game.

The point secures promotion to Division Two.

Carl Edmonds with the 10lb 4oz mirror carp he caught

Third time lucky for young Carl

IT TAKES skill to land a big fish on light tackle, especially when you're only five!

Western Springs Community School pupil Carl Edmonds, from Rugeley, went fishing for only the third time with his dad to his local club water, Horns Pool.

Using a simple float set up with sweetcorn hook bait just yards from the bank, he soon found himself 'playing' a large fish, writes **Vernon Leadbetter**.

After an arm-aching 15-minute battle with his eight-ft rod taking as much strain as it could, Carl received his only help when dad

Angling

slipped the net underneath the prize fish. The mirror carp weighed 10lb 4oz and Carl is now devoted to the sport.

Blackfords AC match on Leacroft Pool proved a tough one with cold winds making fishing both uncomfortable and difficult. Fishing pellet waggler tactics, Ian Davies had five fish for 12lb to win from Steve Preece with 6lb 3oz and Mark Greening with 4lb 8oz.

The last match held on Calf Heath had several weights over 20lb with 40lb required to frame

and Norman Carpenter won with just over 50lb of bream and roach.

Blackfords season tickets are now available from Archline Angling at £20 per ticket. Their new season starts on May 1.

Carsington Trout Fishery's rod average has reduced a little but is still holding at a steady average level of almost seven trout per angler. Fish have been a little more difficult to locate since the windy cold weather moved in, but several good hatches of buzzer have helped improve the average for the end of the week. The heaviest rainbow was 3lb 2oz caught by

Phil Harding. Top spots were Upperfields Bay, Tower Bank, Sheepwash and Fish Tail creek.

The most popular fly patterns used were montana, damsel, black fritz, orange blobs, black tadpole patterns and black buzzers. Most anglers were using intermediate and slower sinking lines although more fish have been seen closer to the surface.

Let us know how your local fishery is fishing.

If you have any interesting catches to report, please contact me at Archline Angling on 01543 426158, call into the store at Unit 1, Brindley Business Park, Chasewater Drive, Cannock WS11 7GD or email info@archlineangling.co.uk

Slender hopes of salvation still alive

Tamworth 22 Burntwood 17
BURNTWOOD go into the last round of Midlands Two West (North) rugby matches with their slender hopes of avoiding the drop still alive.

They reduced the gap to third from bottom Lordswood Dixonians to three points by gaining a losing bonus point at Tamworth.

However, the final day fixtures are not favourable with Burntwood away to second-placed Old Saltleians while Dixonians travel to already-relegated Shrewsbury.

This was a much-improved performance and a much closer result than a month earlier when the sides met in the semi-final of the Staffs Senior Cup.

Burntwood out-scored the hosts by two tries to one this time, but the Tamworth kicker scored points from six of eight attempts at goal to take his side home.

The visitors made a determined start to the game which denied the hosts a touch of the ball for the opening six minutes. Matt Wood had two shots at goal and was successful with the second.

Youthful

A below-par performance was still good enough as a youthful Burntwood Development side just got the better of a more experienced set of opponents in Burton B by 41-31.

It was a case of 'After the Lord Mayor's Show' as Burntwood, who had racked up a fantastic win the previous week, just got home in this lacklustre fixture.

Dan Garrity led the way with a hat-trick of tries, while skipper Anthony Morgan, James Langford and Dan Thornton also crossed the line. Conversions were shared between Aaron Dunnet and Morgan, the latter also adding a penalty kick.

Apart from Burntwood's trip to Old Salts this Saturday the second string travel to Cooke Fields to play Lichfield thirds.

On Sunday morning Burntwood host the U12s County Festival with 10 teams competing.

The first kick-off is scheduled for 10am.

The Burntwood Presentation Evening takes place on Friday, May 4 and the club's AGM is on Wednesday, May 16 - both events take place in their Sportsway clubhouse.

Nerve holds as national prize won on penalties

CANNOCK under-18 girls have won a nailbiting national club plate final.

They finished top of the pile at Oxford Hawks Hockey Club.

But the team had to hold their nerve, winning both semi-final and final on penalty strokes after the matches had finished level.

Goalkeeper Gemma Brookes made three saves in the final shoot-out as Cannock took the honours.

Cannock 2 Chelmsford 2 (Cannock 4 Chelmsford 3 after penalty strokes)

Cannock conceded from a penalty corner early in the first half of the semi-final.

However, the blistering pace of Chloe Macintosh opened up the Chelmsford defence and Sophie Tibbets was perfectly placed on the back post to even the score before half-time.

In the second half an individual run and cool finish from a tight angle by Lauren Bradbury saw Cannock take the lead.

Focus

They created other chances but failed to take them.

And they were duly punished when Chelmsford equalised a few minutes from time.

Cannock retained their focus during the penalty strokes.

They had just one miss - and a fine save by Brookes saw them safely through to the final.

Cannock 0 Isca 0 (Cannock 3 Isca 1 after penalty strokes)

Cannock made changes to their formation for the final

Cannock hockey

and the result was a far more confident defence.

Helen Reeves made numerous tackles to stop the Isca attack in its tracks.

The first half was fairly even; McIntosh hit a post, but neither side was able to break the deadlock.

In the second half Cannock dominated the possession.

Despite numerous forays into the Isca D, they were unable to create a clear-cut chance as their opponents began to defend deeper and deeper.

Again it went to penalties and once more Cannock won through.

In fact, the shoot-out turned out to be straightforward.

Brookes made three excellent saves while the stroke takers, Reeves, Laura Coggins and Shannon Deakin were all on target.

The third save by Brookes meant that Cannock didn't even need all five of their flicks to be crowned 2012 national club under-18 plate winners.

Cannock girls under-18s celebrate after winning the national plate on penalty strokes at the Oxford Hawks club

Under-12s miss out on chance of title

CANNOCK under-12 girls just missed out in their bid to lift the Midlands title.

After a slow start in the finals at Rugby, with a loss to the host school, Cannock recovered their composure and won all their remaining pool matches against Lutterworth, Burton, West Bridgford and Shrewsbury.

This was a fine achievement for a team featuring three under-11 and three under-10 players.

As runners-up of Pool A they went into the semi-finals, but came up against strong and well-organised opposition in the shape of Beeston Girls.

After battling hard and also suffering

several injuries, Cannock were unable to make further progress in the competition.

The players were: Rianne Martin, Rachel Drayton-Chana, April Waterman, Grace Bennett, Lily Walker, Jenna Martin, Faye Manley, Hayley Sutton and Grace Round.

Expulsion of rivals is good news for Pitmen

**Northwich Victoria 1
Hednesford Town 2**
THE Pitmen faithful celebrated after a famous win for their side on Friday night.

Calculations on their side's prospects were turned on their head midway through the second half when news filtered through that Northwich Victoria were to be expelled from the league at the end of the season for alleged financial irregularities and therefore unable to be promoted.

That meant a win for The Pitmen - who led 1-0 at the time - would all but guarantee them a play-off place although Northwich's subsequent appeal means the matter has yet to be settled.

Rob Smith's team, fresh from a derby victory against Chasetown on Easter Monday, duly delivered. Their performance was one of true grit, smattered with a touch of class rarely seen at this level, by the diminutive Chris Clements.

Sam Craven, covering Jermaine Johnson's continued absence at the back for The Pitmen was stretched off with a serious looking ligament injury on 25 minutes, causing Ben Jevons to drop into an unfamiliar role at centre-half alongside Cheyenne Dunkley.

Sprint
Hednesford supporters had no cause for alarm, however, as both players turned in top displays.

Despite seeing less of the ball in the first half The Pitmen had the best chance when, on 41 minutes, a shot was blocked on the line.

In the second period Crane made an acrobatic save to tip over Michael Clarke's header before Clements, with supporters behind the goal screaming at him to square the ball for the advancing Elliott Durrell, calmly turned, made a yard of space and caressed the ball into the corner past a helpless Hinchliffe.

Durrell sealed the win with a low shot on 89 minutes.

A late penalty, converted by Kyle Armstrong, was no consolation for The Vics as The Pitmen players walked off to a big ovation.

Northwich Victoria: Hinchliffe, Law, Collins, Armstrong, Fitzpatrick, Abbott (Johnson 70), Roddy, Field (Wade 70), Clarke (Woolfe 70), Budrys, Evans. Sub not used: Wright.

Hednesford Town: Crane, Haynes, Shaw, Dunkley, Craven (Durrell 26), Denny, Osborne, Clements (59) (Blake-man 77), Wellcome, Beesley, Jevons. Sub not used: Ordish, Campion, Landell.

Attendance: 282.

Burntwood Dragons celebrate their success in taking the divisional title

Dragons take title

Leahall U9 0 Burntwood Dragons U9 3
THREE different scorers found the net as Burntwood took the win they needed to secure the Lichfield and District Recreational A League under-nines title.

They started well and created chances, but had to wait until midway through the first half to make the breakthrough.

Alfie Allan-Smith was the scorer with a powerful drive.

With their tails up, Dragons soon added a second with a sharp close-range header from skipper Jack Taylor.

Alex Tisdell made it three just before the break, forcing the ball into the Leahall net from close range.

In the second half, Burntwood made sure

they retained good possession to see the game out and become champions.

Burntwood manager Marty Wilson congratulated the players and thanked parents for their continued support throughout the season.

**Cannock Town U12 Juniors 1
Burntwood Dragons Reds U12 5**

A solid display saw the Reds take a first-half lead with two goals from Ryan Brooks and a single from Arron Beale.

Changes were made at half-time, but the Dragons scored two further goals as Brooks completed his hat-trick and Kyle Saunders rounded off the scoring.

The Burntwood player of the match awards went to Brooks and Saunders.

Semi-final half-time scoreline told story

Chasetown 0 Rushall Olympic 4
CHASSETOWN'S Walsall Senior Cup semi-final was all over by half-time as Rushall Olympic cruised to a 4-0 success, writes Dave Goddard.

On 15 minutes the Pies took the lead when a free-kick from the halfway line found Luke Bottomer in space on the edge of the area and he turned and fired beyond Ryan Price into the corner of the net.

The visitors doubled their lead on 23 minutes when a corner from Jonathan Haynes was played back into the box and skipper Grant Beckett headed past Price.

Jordan Archer found Chasetown's first clear chance on 27 minutes but the young gun fired high and wide, and Rushall made it three goals in half-an-hour when Bannister fired home two minutes later.

Ahmed Obeng was then close to making it four but Price challenged at the point of shooting, but five minutes before half-time Obeng was brought down by Richard Teesdale in the area and Mitchell Tolley converted the resulting penalty to put the Pies 4-0 up - a scoreline which stayed.

Countdown begins for 13.1-miler

RUNNERS in the Cannock area are gearing up for the second Lichfield half-marathon next month.

The event is on Sunday, May 6 at 10.30am.

It was won last year by Patrick Stuart from Bedford and County FC in a time of 1 hour, 16 minutes 7 seconds.

Kevin Wilson, of promoters KP Events, said: "Last year we had runners from mainly the Midlands.

"But we have noticed that entries are up this year from people out of the region."

The route starts at King Edward VI School in Lichfield and then goes out of the city to Whittington then Fradley.

It finishes on Stowe Field beneath the city's cathedral.

Registrations can be made at www.kpevents.net at £20 for affiliated athletes and £22 for non-affiliated and runner information can be found on 07947 698147 or at paul@kpevents.net

Scholars make their point after comeback

CHASSETOWN fought back from two goals down to draw with North Ferriby United.

Playing with the breeze behind them, Chasetown enjoyed the better of the first-half play with Courtney Pitt seeing a shot blocked in the second minute before Danny Quinn's effort following a Mark Branch free-kick was punched away by United keeper Adam Nicklin.

The visitors' first chance came on 18 minutes but Lee Evans caught Steve Gardner's cross and Chasetown were back on the attack two minutes later when Nicklin saved under pressure from Branch and Danny Smith.

Ferriby took the lead against the run of play on 34 minutes.

The visitors were awarded a free-kick 25 yards out and striker Gary Bradshaw launched a left-footed shot over the Scholars' wall and into the net.

The hosts did manage to get the ball in the net courtesy of Quinn on 41 minutes, but the goal was ruled offside.

Booked
They also threatened when Scott Lycett forced Nicklin into a save at his near post.

On 56 minutes Asa Charlton was booked for a foul on Bradshaw, which ultimately led to a goal for the visiting team.

The striker took the free-kick himself with Evans pushing the ball out at the expense of a corner.

Another corner followed and this time Bradshaw fired the ball home off a post for his and Ferriby's second of the afternoon.

Chasetown pulled one back on 68 minutes when

Chasetown 2 North Ferriby 2

Quinn and Gary Birch combined to set up Smith. His first effort hit Nicklin, but a confident Smith smashed the rebound into the net.

Two minutes Lycett's shot was pushed round the post for a corner.

As the flag-kick came in, Lycett hammered a shot into the roof of the net to equalise.

Substitute Chad Degville had a good chance with seven minutes to go but his shot went wide, and Ferriby held out for their second Evo-Stik Northern Premier draw with the Scholars this season.

Chasetown's final game of the season is on Saturday with a visit to relegated Burscough (3pm).

Chasetown: Evans, Turner, M Branch, Slater, Charlton, Hands, Smith, Lycett, Birch, Quinn (Perraw 84), Pitt (Degville 53). Subs not used: Farmer, Teesdale, Bridgwater.

North Ferriby: Nicklin, Gardner, Peat (Hunter 45), Clarke, Anderson, Foot, Brooksby (Taylor 84), Fry, Morris (Denton 89), Bradshaw, Bold. Subs not used: Belcher, Wilson.

Docking of rivals may be reprieve for Scholars

CHASETOWN could be in line for an additional reprieve if relegation rivals Whitby are docked a point for fielding an ineligible player.

They hover just above the safety line, a point above the Scholars, but still face punishment for fielding Ross Gardner in a game last September.

And both could stay up in the same positions, in any case, if the Evo-Stik League uphold their decision to boot Northwich out of their pyramid.

But Chasetown stalwart and assistant boss Andy Cox is drilling into the players not to leave anything to chance in Saturday's final game at Burscough.

Cox has played more than 400 games for the club and was on the backroom staff for the famous FA Cup third round run of 2008 and two promotions.

But the Scholars' No.2 insists this is the most important 90 minutes in the club's history, as they battle to beat relegation after a two-year stay.

Memories

He said: "I played here for 11 years and I have been back for six years and I have memories that no-one will ever be able to take away."

"You can't get away from how hard everyone at this club has worked to get us where we are, so going down would be hard to swallow."

"This is the biggest game we have ever played and we don't want to have to worry about judges sorting it out for us."

The Scholars also have Frickley Athletic and Mick-leover Sports snapping at their heels, not to mention Whitby above them.

Only their hosts on Saturday, bottom club Burscough, have been relegated but their form has actually improved since.

Finishing second or even third bottom may not save Chasetown, even if Whitby and Northwich are punished to the fullest extent.

Cox said: "We have got to go there and win, there's no second chances, and that's all we can do."

Swimmers are in good form

CHASE Swimming Club continued their good early season form with a fine performance at the Cosacs Y2K open meet.

Chase swimmers managed to win 36 medals – nine gold, 14 silver and 13 bronze.

Rower James Bevan

UK schools win for Bevan

Rowing

TEENAGE Cannock Wood oarsman James Bevan and his crew stormed to victory in a National Schools' Sculling Head race at the home of the 2012 Olympic Games rowing events.

The 14-year-old Stafford Grammar School student and his four Trentham Boat Club team mates saw off 36 boats in the coxed squad scull to complete the 4000m race at Dorney Lake 13 seconds ahead of their nearest rivals.

The under-15 Trentham crew,

who missed out on the gold medal last year by less than one second, raced over two lengths of the six lane still-water course near Windsor.

The timed event involved a 10-second delay between each boat – and Bevan's quadruple scull avenged their previous defeat when they overtook the reigning champions, Queens Park High School from Chester, to cross

first. After a nervous wait while judges compared the times of all 37 crews, the Staffs rowers emerged as convincing winners with a 13-second lead over Westminster Boys' School.

And their achievement was recognised by four-time Olympic gold medalist Sir Matthew Pinsent, who presented Bevan and fellow North Staffs rowers Ryan Harrison, Jack Kidd, Harry Mahoney and cox Sophie Powell with their medals. "We lost this event last time by 0.08

seconds," said Bevan. "To have lost by such a small margin was frustrating, so we were really determined to prove that we could come back and win."

"It felt strange and pretty exciting to think that in a few months the Olympic rowing finals will be held at the same place where we were competing."

Next on the Trentham J15 crew's agenda is the Inter-Regional Regatta in Nottingham on April 28.

It's not so lucky seven as Hayes thrashed

Gresley 7 Heath Hayes 0
HEATH HAYES suffered a not so magnificent seven as they were thrashed at Gresley.

The visitors actually carried the early threat, Ben Porter finding Dave Waple for a shot saved by Gresley keeper Gary Hateley.

Phil Massingham opened the scoring after 17 minutes and scored a memorable second 10 minutes later.

Hayes keeper Scott Mullett, on the right of his area, cleared the ball wide and nearly to halfway only for Massingham to volley it back first-time into the far corner.

Gresley then scored through Richard Hanslow before Massingham completed his hat-trick from the penalty spot after a foul on Marc Goodfellow.

In the second half, Massingham got his fourth with a header on 53 minutes.

Goodfellow hit the bar and Rob Spencer the post before substitute Dean Oliver raced on to the latter's pass for the sixth goal.

Hanslow rounded off the scoring in time added on.

Heath Hayes 2 Tipton 0

Heath Hayes completed their home Midland Alliance fixtures with a well-earned win over Black Country rivals Tipton Town at the weekend.

Waple was the catalyst for the victory and his brace of goals keeps him in the lead for the Golden Boot award for the league's leading scorer.

Hayes took the lead with an inspired goal from Waple on 14 minutes. After a smart exchange of passes with Porter he advanced into the box and shrugged off three challenges before firing into the corner of the net.

Five minutes later Waple scored from the spot after Porter was fouled.

LET'S WIN OUR WAY TO PLAY-OFFS – BOSS

HEDNESFORD manager Rob Smith has told his side not to rely on the probable demise of Northwich Victoria in reaching the play-offs.

The Pitmen looked to have got a double helping hand from the Vics last week, once when they lost to Smith's men 2-1 on Friday night and again during the game when the Evo-Stik League expelled Northwich, effective at the end of the season, for breaking finance rules.

Martin Foyle's side will not be allowed to take part in the play-offs, either – a spot that seemed assured as they are second in the division.

The fall-out means sixth place might be enough for a play-off spot although Northwich plan to appeal, which means the issue may drag on into the summer.

But Smith wants to stay well out of that situation and cement fifth place instead, which they currently occupy approaching Saturday's Keys Park curtain call against Worksp.

He said: "All we are focused on is winning the last matches. Doing that would see us legitimately in the play-offs, which would be a massive achievement."

"All appeals and other results are not on our radar whatsoever."

Smith's players experienced first-hand the troubles facing Northwich when they travelled to Leek for a rare Friday fixture, hours after the league ruling.

The game was played at the Harrison Ground because the Vics were evicted from their own premises in January and have been using temporary homes ever since.

Play was under way and the Pitmen were a goal up when the league published their ruling. They went on to

by Craig Birch

win 2-1, while nearest rivals FC United of Manchester lost at Matlock.

But Northwich still beat Bradford Park Avenue on Tuesday and could actually do Hednesford a hat-trick of favours, as they go to FC United on Saturday.

Smith added: "Their players were not aware of what had happened on the pitch against us."

"I have heard people say Northwich knew, but I know for a fact their players didn't until the end."

"You could see the disappointment in them when we scored the second goal. Make no mistake, they wanted to win. They will want to win against FC United in their last game, as well."

On Tuesday night, Hednesford ensured that if they win on the final day a play-off spot will be theirs with a goalless draw at home to North Ferriby United.

But it could have been even better, had Mark Beesley not spurned two first-half golden opportunities when one-on-one with goalkeeper Adam Nicklin.

North Ferriby's Wayne Brooksby left home hearts in their mouths after the interval when he rattled the crossbar.

Hockey girls serve up the title on a plate

Cannock hockey girls under-18s won the national plate competition at Oxford – but they had to come through a penalty strokes shoot-out in both their semi-final and final to lift the prize. Full report – Page 90
